For purposes of subdivision (4), delivery charges are charges by the seller for preparation and delivery of the property to a location designated by the purchaser of property, including but not limited to transportation, shipping, postage, handling, crating, and packing.

(b) "Gross retail income" does not include that part of the gross receipts attributable to:

(d) Notwithstanding subsection (c), a person liable for the use tax imposed in respect to a vehicle, watercraft, or aircraft under section 2(b) of this chapter shall pay the tax:

"SECTION 137. IC 6-2.5-6-1, AS AMENDED BY P.L.131-2008, SECTION 10, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2010]: Sec. 1. (a) Except as otherwise provided in this section, each person liable for collecting the state gross retail or use tax shall file a return for each calendar month and pay the state gross retail

and use taxes that the person collects during that month. A person shall file the person's return for a particular month with the department and make the person's tax payment for that month to the department not more than thirty (30) days after the end of that month, if that person's average monthly liability for collections of state gross retail and use taxes under this section as determined by the department for the preceding calendar year did not exceed one thousand dollars ($1,000). If a person's average monthly liability for collections of state gross retail and use taxes under this section as determined by the department for the preceding calendar year exceeded one thousand dollars ($1,000), that person shall file the person's return for a particular month and make the person's tax payment for that month to the department not more than twenty (20) days after the end of that month.

(b) If a person files a combined sales and withholding tax report and either this section or IC 6-3-4-8.1 requires sales or withholding tax reports to be filed and remittances to be made within twenty (20) days after the end of each month, then the person shall file the combined report and remit the sales and withholding taxes due within twenty (20) days after the end of each month.

(c) Instead of the twelve (12) monthly reporting periods required by subsection (a), the department may permit a person to divide a year into a different number of reporting periods. The return and payment for each reporting period is due not more than twenty (20) days after the end of the period.

(d) Instead of the reporting periods required under subsection (a), the department may permit a retail merchant to report and pay the merchant's state gross retail and use taxes for a period covering a calendar year, if the retail merchant's state gross retail and use tax liability in the previous calendar year does not exceed one thousand dollars ($1,000). A retail merchant using a reporting period allowed under this subsection must file the merchant's return and pay the merchant's tax for a reporting period not later than the last day of the month immediately following the close of that reporting period.

(e) If a retail merchant reports the merchant's adjusted gross income tax, or the tax the merchant pays in place of the adjusted gross income tax, over a fiscal year not corresponding to the calendar year, the merchant may, without prior departmental approval, report and pay the merchant's state gross retail and use taxes over the merchant's fiscal year that corresponds to the calendar year the merchant is permitted to use under subsection (d). However, the department may, at any time, require the retail merchant to stop using the fiscal reporting period.

(f) If a retail merchant files a combined sales and withholding tax report, the reporting period for the combined report is the shortest period required under:

(1) this section;

(2) IC 6-3-4-8; or

(3) IC 6-3-4-8.1.

(g) If the department determines that a person's:

(1) estimated monthly gross retail and use tax liability for the current year; or

(2) average monthly gross retail and use tax liability for the preceding year;

exceeds five thousand dollars ($5,000), the person shall pay the monthly gross retail and use taxes due by electronic funds transfer (as defined in IC 4-8.1-2-7) or by delivering in person or by overnight courier a payment by cashier's check, certified check, or money order to the department. The transfer or payment shall be made on or before the date the tax is due.

(h) A person that registers as a retail merchant after December 31, 2009, is required to report and remit state gross retail and use taxes through the department's online tax filing program. This subsection does not apply to a retail merchant that was a registered retail merchant before January 1, 2010, but adds an additional place of business in accordance with IC 6-2.5-8-1(e) after December 31, 2009.

~~(h)~~ **(i)** A person:

(1) who has voluntarily registered as a seller under the Streamlined Sales and Use Tax Agreement;

(2) who is not a Model 1, Model 2, or Model 3 seller (as defined in the Streamlined Sales and Use Tax Agreement); and

(3) whose liability for collections of state gross retail and use taxes under this section for the preceding calendar year as determined by the department does not exceed one thousand dollars ($1,000);

is not required to file a monthly gross retail and use tax return.

SECTION 138. IC 6-2.5-7-10 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2010]: Sec. 10. (a) Each refiner or terminal operator and each qualified distributor that has received a prepayment of the state gross retail tax under this chapter shall remit the tax received to the department semimonthly, **through the department's online tax filing system,** according to the following schedule:

(1) On or before the tenth day of each month for prepayments received after the fifteenth day and before the end of the preceding month.

(2) On or before the twenty-fifth day of each month for prepayments received after the end of the preceding month and before the sixteenth day of the month in which the prepayments are made.

(b) Before the end of each month, each refiner or terminal operator and each qualified distributor shall file a report covering the prepaid taxes received and the gallons of gasoline sold or shipped during the preceding month. The report must include the following:

(1) The number of gallons of gasoline sold or shipped during the preceding month, identifying each purchaser or receiver as required by the department.

(2) The amount of tax prepaid by each purchaser or receiver.

(3) Any other information reasonably required by the department.

SECTION 139. IC 6-2.5-7-14, AS AMENDED BY P.L.176-2006,

SECTION 2, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE APRIL 1, 2009 (RETROACTIVE)]: Sec. 14. (a) Before **March 10,** June 10, **September 10,** and December 10 of each year, the department shall determine and provide to:

(1) each refiner and terminal operator and each qualified distributor known to the department to be required to collect prepayments of the state gross retail tax under this chapter; and

(2) any other person that makes a request;

a notice of the prepayment rate to be used during the following ~~six (6)~~ **three (3)** month period. ~~The department shall also have the prepayment rate published in the June and December issues of the Indiana Register.~~ **The department, after approval by the office of management and budget, may determine a new prepayment rate if the department finds that the statewide average retail price per gallon of gasoline, excluding the Indiana and federal gasoline taxes and the Indiana gross retail tax, has changed by at least twenty-five percent (25%) since the most recent determination.**

(b) In determining the prepayment rate under this section, the department shall use the most recent retail price of gasoline available to the department.

(c) The prepayment rate per gallon of gasoline determined by the department under this section is the amount per gallon of gasoline determined under STEP FOUR of the following formula:

STEP ONE: Determine the statewide average retail price per gallon of gasoline, excluding the Indiana and federal gasoline taxes and the Indiana gross retail tax.

STEP TWO: Determine the product of the following:

(A) The STEP ONE amount.

(B) The Indiana gross retail tax rate.

(C) ~~Ninety~~ **Eighty** percent ~~(90%).~~ **(80%).**

STEP THREE: Determine the lesser of:

(A) the STEP TWO result; or

(B) the product of:

(i) the prepayment rate in effect on the day immediately preceding the day on which the prepayment rate is redetermined under this section; multiplied by

(ii) one hundred twenty-five percent (125%).

STEP FOUR: Round the STEP THREE result to the nearest one-tenth of one cent ($0.001).

SECTION 140. IC 6-2.5-11-10, AS AMENDED BY P.L.145-2007, SECTION 9, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2010]: Sec. 10. (a) A certified service provider is the agent of a seller, with whom the certified service provider has contracted, for the collection and remittance of sales and use taxes. As the seller's agent, the certified service provider is liable for sales and use tax due each member state on all sales transactions it processes for the seller except as set out in this section. A seller that contracts with a certified service provider is not liable to the state for sales or use tax due on transactions processed by the certified service provider unless

the seller misrepresented the type of items it sells or committed fraud. In the absence of probable cause to believe that the seller has committed fraud or made a material misrepresentation, the seller is not subject to audit on the transactions processed by the certified service provider. A seller is subject to audit for transactions not processed by the certified service provider. The member states acting jointly may perform a system check of the seller and review the seller's procedures to determine if the certified service provider's system is functioning properly and the extent to which the seller's transactions are being processed by the certified service provider.

(b) A person that provides a certified automated system is responsible for the proper functioning of that system and is liable to the state for underpayments of tax attributable to errors in the functioning of the certified automated system. A seller that uses a certified automated system remains responsible and is liable to the state for reporting and remitting tax.

(c) A seller that has a proprietary system for determining the amount of tax due on transactions and has signed an agreement establishing a performance standard for that system is liable for the failure of the system to meet the performance standard.

(d) A certified service provider or a seller using a certified automated system that obtains a certification from the department is not liable for sales or use tax collection errors that result from reliance on the department's certification. If the department determines that an item or transaction is incorrectly classified as to the taxability of the item or transaction, the department shall notify the certified service provider or the seller using a certified automated system of the incorrect classification. The certified service provider or the seller using a certified automated system must revise the incorrect classification within ten (10) days after receiving notice of the determination from the department. If the classification error is not corrected within ten (10) days after receiving the department's notice, the certified service provider or the seller using a certified automated system is liable for failure to collect the correct amount of sales or use tax due and owing.

(e) If at least thirty (30) days is not provided between the enactment of a statute changing the rate set forth in IC 6-2.5-2-2 and the effective date of the rate change, the department shall relieve the seller of liability for failing to collect tax at the new rate if:

(1) the seller collected the tax at the immediately preceding effective rate; and

(2) the seller's failure to collect at the current rate does not extend beyond thirty (30) days after the effective date of the rate change.

A seller is not eligible for the relief provided for in this subsection if the seller fraudulently fails to collect at the current rate or solicits purchases based on the immediately preceding effective rate.

~~(c)~~ **(f)** The department shall allow any monetary allowances that are provided by the member states to sellers or certified service

providers in exchange for collecting the sales and use taxes as provided in article VI of the agreement.

SECTION 145. IC 6-2.5-12-15 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2009]: Sec. 15. Except for the telecommunications services listed in section 16 of this chapter, a sale of:

(1) telecommunications services sold on a basis other than a call by call basis;

(2) Internet access service; or

(3) an ancillary service;

is sourced to the customer's place of primary use.

SECTION 146. IC 6-2.5-13-1, AS AMENDED BY P.L.19-2008, SECTION 7, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2010]: Sec. 1. (a) As used in this section, the terms "receive" and "receipt" mean:

(1) taking possession of tangible personal property;

(2) making first use of services; or

(3) taking possession or making first use of digital goods;

whichever comes first. The terms "receive" and "receipt" do not include possession by a shipping company on behalf of the purchaser.

(b) This section:

(1) applies regardless of the characterization of a product as tangible personal property, a digital good, or a service;

(2) applies only to the determination of a seller's obligation to pay or collect and remit a sales or use tax with respect to the seller's retail sale of a product; and

(3) does not affect the obligation of a purchaser or lessee to remit tax on the use of the product to the taxing jurisdictions of that use.

(c) This section does not apply to sales or use taxes levied on the following:

(1) The retail sale or transfer of watercraft, modular homes, manufactured homes, or mobile homes. These items must be sourced according to the requirements of this article.

(2) The retail sale, excluding lease or rental, of motor vehicles, trailers, semitrailers, or aircraft that do not qualify as transportation equipment, as defined in subsection (g). The retail sale of these items shall be sourced according to the requirements of this article, and the lease or rental of these items must be sourced according to subsection (f).

(3) Telecommunications services, ancillary services, and Internet access service shall be sourced in accordance with IC 6-2.5-12.

(d) The retail sale, excluding lease or rental, of a product shall be sourced as follows:

(1) When the product is received by the purchaser at a business location of the seller, the sale is sourced to that business location.

(2) When the product is not received by the purchaser at a business location of the seller, the sale is sourced to the location where receipt by the purchaser (or the purchaser's donee,

designated as such by the purchaser) occurs, including the location indicated by instructions for delivery to the purchaser (or donee), known to the seller.

(3) When subdivisions (1) and (2) do not apply, the sale is sourced to the location indicated by an address for the purchaser that is available from the business records of the seller that are maintained in the ordinary course of the seller's business when use of this address does not constitute bad faith.

(4) When subdivisions (1), (2), and (3) do not apply, the sale is sourced to the location indicated by an address for the purchaser obtained during the consummation of the sale, including the address of a purchaser's payment instrument, if no other address is available, when use of this address does not constitute bad faith.

(5) When none of the previous rules of subdivision (1), (2), (3), or (4) apply, including the circumstance in which the seller is without sufficient information to apply the previous rules, then the location will be determined by the address from which tangible personal property was shipped, from which the digital good or the computer software delivered electronically was first available for transmission by the seller, or from which the service was provided (disregarding for these purposes any location that merely provided the digital transfer of the product sold).

(e) The lease or rental of tangible personal property, other than property identified in subsection (f) or (g), shall be sourced as follows:

(1) For a lease or rental that requires recurring periodic payments, the first periodic payment is sourced the same as a retail sale in accordance with the provisions of subsection (d). Periodic payments made subsequent to the first payment are sourced to the primary property location for each period covered by the payment. The primary property location shall be as indicated by an address for the property provided by the lessee that is available to the lessor from its records maintained in the ordinary course of business, when use of this address does not constitute bad faith. The property location shall not be altered by intermittent use at different locations, such as use of business property that accompanies employees on business trips and service calls.

(2) For a lease or rental that does not require recurring periodic payments, the payment is sourced the same as a retail sale in accordance with the provisions of subsection (d).

This subsection does not affect the imposition or computation of sales or use tax on leases or rentals based on a lump sum or an accelerated basis, or on the acquisition of property for lease.

(f) The lease or rental of motor vehicles, trailers, semitrailers, or aircraft that do not qualify as transportation equipment, as defined in subsection (g), shall be sourced as follows:

(1) For a lease or rental that requires recurring periodic payments, each periodic payment is sourced to the primary

property location. The primary property location shall be as indicated by an address for the property provided by the lessee that is available to the lessor from its records maintained in the ordinary course of business, when use of this address does not constitute bad faith. This location shall not be altered by intermittent use at different locations.

(2) For a lease or rental that does not require recurring periodic payments, the payment is sourced the same as a retail sale in accordance with the provisions of subsection (d).

This subsection does not affect the imposition or computation of sales or use tax on leases or rentals based on a lump sum or accelerated basis, or on the acquisition of property for lease.

(g) The retail sale, including lease or rental, of transportation equipment shall be sourced the same as a retail sale in accordance with the provisions of subsection (d), notwithstanding the exclusion of lease or rental in subsection (d). As used in this subsection, "transportation equipment" means any of the following:

(1) Locomotives and railcars that are used for the carriage of persons or property in interstate commerce.

(2) Trucks and truck-tractors with a gross vehicle weight rating (GVWR) of ten thousand one (10,001) pounds or greater, trailers, semitrailers, or passenger buses that are:

(4) Containers designed for use on and component parts attached or secured on the items set forth in subdivisions (1) through (3).

(h) ~~This subsection applies to retail sales of floral products that occur before January 1, 2010.~~ Notwithstanding subsection (d), a retail sale of floral products in which a florist or floral business:

(1) takes a floral order from a purchaser; and

(2) transmits the floral order by telegraph, telephone, or other means of communication to another florist or floral business for delivery;

(b) The term does not include a corporation, a trust, or an association in which more than fifty percent (50%) of the entity's voting

power, beneficial interests, or shares are owned by a single entity described in subsection (a)(3) that is owned or controlled, directly or constructively, by:

(1) a corporation, a trust, or an association that is considered a real estate investment trust under Section 856 of the Internal Revenue Code;

SECTION 149. IC 6-3-1-35 IS ADDED TO THE INDIANA CODE AS A **NEW** SECTION TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2009 (RETROACTIVE)]: **Sec. 35. As used in this article, "pass through entity" means:**

(1) a corporation that is exempt from the adjusted gross income tax under IC 6-3-2-2.8(2);

(2) a partnership;

(3) a trust;

(4) a limited liability company; or

(5) a limited liability partnership.

SECTION 150. IC 6-3-2-2, AS AMENDED BY P.L.162-2006, SECTION 25, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2009 (RETROACTIVE)]: Sec. 2. (a) With regard to corporations and nonresident persons, "adjusted gross income derived from sources within Indiana", for the purposes of this article, shall mean and include:

(1) income from real or tangible personal property located in this state;

(2) income from doing business in this state;

(3) income from a trade or profession conducted in this state;

(4) compensation for labor or services rendered within this state; and

(5) income from stocks, bonds, notes, bank deposits, patents, copyrights, secret processes and formulas, good will, trademarks, trade brands, franchises, and other intangible personal property if the receipt from the intangible is attributable to Indiana under section 2.2 of this chapter.

Income from a pass through entity shall be characterized in a

manner consistent with the income's characterization for federal income tax purposes and shall be considered Indiana source income as if the person, corporation, or pass through entity that received the income had directly engaged in the income producing activity. Income that is derived from one (1) pass through entity and is considered to pass through to another pass through entity does not change these characteristics or attribution provisions. In the case of nonbusiness income described in subsection (g), only so much of such income as is allocated to this state under the provisions of subsections (h) through (k) shall be deemed to be derived from sources within Indiana. In the case of business income, only so much of such income as is apportioned to this state under the provision of subsection (b) shall be deemed to be derived from sources within the state of Indiana. In the case of compensation of a team member (as defined in section 2.7 of this chapter), only the portion of income determined to be Indiana income under section 2.7 of this chapter is considered derived from sources within Indiana. In the case of a corporation that is a life insurance company (as defined in Section 816(a) of the Internal Revenue Code) or an insurance company that is subject to tax under Section 831 of the Internal Revenue Code, only so much of the income as is apportioned to Indiana under subsection (r) is considered derived from sources within Indiana.

(b) Except as provided in subsection (l), if business income of a corporation or a nonresident person is derived from sources within the state of Indiana and from sources without the state of Indiana, the business income derived from sources within this state shall be determined by multiplying the business income derived from sources both within and without the state of Indiana by the following:

(1) For all taxable years that begin after December 31, 2006, and before January 1, 2008, a fraction. The:

(A) numerator of the fraction is the sum of the property factor plus the payroll factor plus the product of the sales factor multiplied by three (3); and

(B) denominator of the fraction is five (5).

(2) For all taxable years that begin after December 31, 2007, and before January 1, 2009, a fraction. The:

(A) numerator of the fraction is the property factor plus the payroll factor plus the product of the sales factor multiplied by four and sixty-seven hundredths (4.67); and

(B) denominator of the fraction is six and sixty-seven hundredths (6.67).

(3) For all taxable years beginning after December 31, 2008, and before January 1, 2010, a fraction. The:

(A) numerator of the fraction is the property factor plus the payroll factor plus the product of the sales factor multiplied by eight (8); and

(B) denominator of the fraction is ten (10).

(4) For all taxable years beginning after December 31, 2009, and before January 1, 2011, a fraction. The:

(A) numerator of the fraction is the property factor plus the

payroll factor plus the product of the sales factor multiplied by eighteen (18); and

(B) denominator of the fraction is twenty (20).

(5) For all taxable years beginning after December 31, 2010, the sales factor.

(c) The property factor is a fraction, the numerator of which is the average value of the taxpayer's real and tangible personal property owned or rented and used in this state during the taxable year and the denominator of which is the average value of all the taxpayer's real and tangible personal property owned or rented and used during the taxable year. However, with respect to a foreign corporation, the denominator does not include the average value of real or tangible personal property owned or rented and used in a place that is outside the United States. Property owned by the taxpayer is valued at its original cost. Property rented by the taxpayer is valued at eight (8) times the net annual rental rate. Net annual rental rate is the annual rental rate paid by the taxpayer less any annual rental rate received by the taxpayer from subrentals. The average of property shall be determined by averaging the values at the beginning and ending of the taxable year, but the department may require the averaging of monthly values during the taxable year if reasonably required to reflect properly the average value of the taxpayer's property.

(d) The payroll factor is a fraction, the numerator of which is the total amount paid in this state during the taxable year by the taxpayer for compensation, and the denominator of which is the total compensation paid everywhere during the taxable year. However, with respect to a foreign corporation, the denominator does not include compensation paid in a place that is outside the United States. Compensation is paid in this state if:

(1) the individual's service is performed entirely within the state;

(2) the individual's service is performed both within and without this state, but the service performed without this state is incidental to the individual's service within this state; or

(3) some of the service is performed in this state and:

(A) the base of operations or, if there is no base of operations, the place from which the service is directed or controlled is in this state; or

(B) the base of operations or the place from which the service is directed or controlled is not in any state in which some part of the service is performed, but the individual is a resident of this state.

(e) The sales factor is a fraction, the numerator of which is the total sales of the taxpayer in this state during the taxable year, and the denominator of which is the total sales of the taxpayer everywhere during the taxable year. Sales include receipts from intangible property and receipts from the sale or exchange of intangible property. However, with respect to a foreign corporation, the denominator does not include sales made in a place that is outside the United States. Receipts from intangible personal property are derived from sources within Indiana if the receipts from the intangible personal property are attributable to

Indiana under section 2.2 of this chapter. Regardless of the f.o.b. point or other conditions of the sale, sales of tangible personal property are in this state if:

(1) the property is delivered or shipped to a purchaser that is within Indiana, other than the United States government; or

(2) the property is shipped from an office, a store, a warehouse, a factory, or other place of storage in this state and:

(A) the purchaser is the United States government; or

(B) the taxpayer is not taxable in the state of the purchaser.

Gross receipts derived from commercial printing as described in IC 6-2.5-1-10 shall be treated as sales of tangible personal property for purposes of this chapter.

(f) Sales, other than receipts from intangible property covered by subsection (e) and sales of tangible personal property, are in this state if:

(1) the income-producing activity is performed in this state; or

(2) the income-producing activity is performed both within and without this state and a greater proportion of the income-producing activity is performed in this state than in any other state, based on costs of performance.

(g) Rents and royalties from real or tangible personal property, capital gains, interest, dividends, or patent or copyright royalties, to the extent that they constitute nonbusiness income, shall be allocated as provided in subsections (h) through (k).

(h)(1) Net rents and royalties from real property located in this state are allocable to this state.

(2) Net rents and royalties from tangible personal property are allocated to this state:

(i) if and to the extent that the property is utilized in this state; or

(ii) in their entirety if the taxpayer's commercial domicile is in this state and the taxpayer is not organized under the laws of or taxable in the state in which the property is utilized.

(3) The extent of utilization of tangible personal property in a state is determined by multiplying the rents and royalties by a fraction, the numerator of which is the number of days of physical location of the property in the state during the rental or royalty period in the taxable year, and the denominator of which is the number of days of physical location of the property everywhere during all rental or royalty periods in the taxable year. If the physical location of the property during the rental or royalty period is unknown or unascertainable by the taxpayer, tangible personal property is utilized in the state in which the property was located at the time the rental or royalty payer obtained possession.

(i)(1) Capital gains and losses from sales of real property located in this state are allocable to this state.

(2) Capital gains and losses from sales of tangible personal property are allocable to this state if:

(i) the property had a situs in this state at the time of the sale; or

(ii) the taxpayer's commercial domicile is in this state and the taxpayer is not taxable in the state in which the property had a situs.

(3) Capital gains and losses from sales of intangible personal property are allocable to this state if the taxpayer's commercial domicile is in this state.

(j) Interest and dividends are allocable to this state if the taxpayer's commercial domicile is in this state.

(k)(1) Patent and copyright royalties are allocable to this state:

(i) if and to the extent that the patent or copyright is utilized by the taxpayer in this state; or

(ii) if and to the extent that the patent or copyright is utilized by the taxpayer in a state in which the taxpayer is not taxable and the taxpayer's commercial domicile is in this state.

(2) A patent is utilized in a state to the extent that it is employed in production, fabrication, manufacturing, or other processing in the state or to the extent that a patented product is produced in the state. If the basis of receipts from patent royalties does not permit allocation to states or if the accounting procedures do not reflect states of utilization, the patent is utilized in the state in which the taxpayer's commercial domicile is located.

(3) A copyright is utilized in a state to the extent that printing or other publication originates in the state. If the basis of receipts from copyright royalties does not permit allocation to states or if the accounting procedures do not reflect states of utilization, the copyright is utilized in the state in which the taxpayer's commercial domicile is located.

(l) If the allocation and apportionment provisions of this article do not fairly represent the taxpayer's income derived from sources within the state of Indiana, the taxpayer may petition for or the department may require, in respect to all or any part of the taxpayer's business activity, if reasonable:

(1) separate accounting;

(2) for a taxable year beginning before January 1, 2011, the exclusion of any one (1) or more of the factors, except the sales factor;

(3) the inclusion of one (1) or more additional factors which will fairly represent the taxpayer's income derived from sources within the state of Indiana; or

(4) the employment of any other method to effectuate an equitable allocation and apportionment of the taxpayer's income.

(m) In the case of two (2) or more organizations, trades, or businesses owned or controlled directly or indirectly by the same interests, the department shall distribute, apportion, or allocate the income derived from sources within the state of Indiana between and among those organizations, trades, or businesses in order to fairly reflect and report the income derived from sources within the state of Indiana by various taxpayers.

(n) For purposes of allocation and apportionment of income under this article, a taxpayer is taxable in another state if:

(1) in that state the taxpayer is subject to a net income tax, a franchise tax measured by net income, a franchise tax for the privilege of doing business, or a corporate stock tax; or

(2) that state has jurisdiction to subject the taxpayer to a net income tax regardless of whether, in fact, the state does or does not.

(o) Notwithstanding subsections (l) and (m), the department may not, under any circumstances, require that income, deductions, and credits attributable to a taxpayer and another entity be reported in a combined income tax return for any taxable year, if the other entity is:

(1) a foreign corporation; or

(2) a corporation that is classified as a foreign operating corporation for the taxable year by section 2.4 of this chapter.

(p) Notwithstanding subsections (l) and (m), the department may not require that income, deductions, and credits attributable to a taxpayer and another entity not described in subsection (o)(1) or (o)(2) be reported in a combined income tax return for any taxable year, unless the department is unable to fairly reflect the taxpayer's adjusted gross income for the taxable year through use of other powers granted to the department by subsections (l) and (m).

(q) Notwithstanding subsections (o) and (p), one (1) or more taxpayers may petition the department under subsection (l) for permission to file a combined income tax return for a taxable year. The petition to file a combined income tax return must be completed and filed with the department not more than thirty (30) days after the end of the taxpayer's taxable year. A taxpayer filing a combined income tax return must petition the department within thirty (30) days after the end of the taxpayer's taxable year to discontinue filing a combined income tax return.

(r) This subsection applies to a corporation that is a life insurance company (as defined in Section 816(a) of the Internal Revenue Code) or an insurance company that is subject to tax under Section 831 of the Internal Revenue Code. The corporation's adjusted gross income that is derived from sources within Indiana is determined by multiplying the corporation's adjusted gross income by a fraction:

(1) the numerator of which is the direct premiums and annuity considerations received during the taxable year for insurance upon property or risks in the state; and

(2) the denominator of which is the direct premiums and annuity considerations received during the taxable year for insurance upon property or risks everywhere.

The term "direct premiums and annuity considerations" means the gross premiums received from direct business as reported in the corporation's annual statement filed with the department of insurance.".

"Base period wages" means the following:

(1) In the case of a taxpayer other than a pass through entity, wages paid or payable by a taxpayer to its employees during the year that ends on the last day of the month that immediately precedes the month in which an enterprise zone is established, to the extent that the wages would have been qualified wages if the enterprise zone had been in effect for that year. If the taxpayer did not engage in an active trade or business during that year in the area that is later designated as an enterprise zone, then the base period wages equal zero (0). If the taxpayer engaged in an active trade or business during only part of that year in an area that is later designated as an enterprise zone, then the department shall determine the amount of base period wages.

(2) In the case of a taxpayer that is a pass through entity, base

period wages equal zero (0).

"Enterprise zone" means an enterprise zone created under IC 5-28-15.

"Enterprise zone adjusted gross income" means adjusted gross income of a taxpayer that is derived from sources within an enterprise zone. Sources of adjusted gross income shall be determined with respect to an enterprise zone, to the extent possible, in the same manner that sources of adjusted gross income are determined with respect to the state of Indiana under IC 6-3-2-2.

"Enterprise zone gross income" means gross income of a taxpayer that is derived from sources within an enterprise zone.

"Enterprise zone insurance premiums" means insurance premiums derived from sources within an enterprise zone.

"Monthly base period wages" means base period wages divided by twelve (12).

~~(2) partnership;~~

~~(3) trust;~~

~~(4) limited liability company; or~~

~~(5) limited liability partnership.~~

"Qualified employee" means an individual who is employed by a taxpayer and who:

(1) has the individual's principal place of residence in the enterprise zone in which the individual is employed;

(2) performs services for the taxpayer, ninety percent (90%) of which are directly related to the conduct of the taxpayer's trade or business that is located in an enterprise zone;

(4) in the case of an individual who is employed by a taxpayer that is a pass through entity, was first employed by the taxpayer after December 31, 1998.

"Qualified increased employment expenditures" means the following:

(1) For a taxpayer's taxable year other than the taxpayer's taxable year in which the enterprise zone is established, the amount by which qualified wages paid or payable by the taxpayer during the taxable year to qualified employees exceeds the taxpayer's base period wages.

(2) For the taxpayer's taxable year in which the enterprise zone is established, the amount by which qualified wages paid or payable by the taxpayer during all of the full calendar months in the taxpayer's taxable year that succeed the date on which the enterprise zone was established exceed the taxpayer's monthly base period wages multiplied by that same number of full calendar months.

"Qualified state tax liability" means a taxpayer's total income tax

(2) one thousand five hundred dollars ($1,500) multiplied by the number of qualified employees employed by the taxpayer during the taxable year.

(c) The amount of the credit provided by this section that a taxpayer uses during a particular taxable year may not exceed the taxpayer's qualified state tax liability for the taxable year. If the credit provided by this section exceeds the amount of that tax liability for the taxable year it is first claimed, then the excess may be carried back to preceding taxable years or carried over to succeeding taxable years and used as a credit against the taxpayer's qualified state tax liability for those taxable years. Each time that the credit is carried back to a preceding taxable year or carried over to a succeeding taxable year, the amount of the carryover is reduced by the amount used as a credit for that taxable year. Except as provided in subsection (e), the credit provided by this section may be carried forward and applied in the ten (10) taxable years that succeed the taxable year in which the credit accrues. The credit provided by this section may be carried back and applied in the three (3) taxable years that precede the taxable year in which the credit accrues.

(1) the tax credit determined for the pass through entity for the taxable year; multiplied by

(2) the percentage of the pass through entity's distributive income to which the shareholder, partner, beneficiary, or member is entitled.

The credit provided under this subsection is in addition to a tax credit to which a shareholder, partner, beneficiary, or member of a pass through entity is entitled. However, a pass through entity and an individual who is a shareholder, partner, beneficiary, or member of a pass through entity may not claim more than one (1) credit for the qualified expenditure.

plan that is made:

(1) to pay for qualified higher education expenses, excluding any withdrawals or distributions used to pay for qualified higher education expenses if the withdrawals or distributions are made from an account of a college choice 529 education savings plan that is terminated within twelve (12) months after the account is opened;

~~(l)~~ **(m)** To receive the credit provided by this section, a taxpayer must claim the credit on the taxpayer's annual state tax return or returns in the manner prescribed by the department. The taxpayer shall submit to the department all information that the department determines is necessary for the calculation of the credit provided by this section.

~~(m)~~ **(n)** An account owner of an account of a college choice 529 education savings plan must repay all or a part of the credit in a taxable year in which any nonqualified withdrawal is made from the account. The amount the taxpayer must repay is equal to the lesser of:

(1) twenty percent (20%) of the total amount of nonqualified withdrawals made during the taxable year from the account; or

(2) the excess of:

(A) the cumulative amount of all credits provided by this section that are claimed by any taxpayer with respect to the taxpayer's contributions to the account for all prior taxable years beginning on or after January 1, 2007; over

(B) the cumulative amount of repayments paid by the account owner under this subsection for all prior taxable years beginning on or after January 1, 2008.

~~(n)~~ **(o)** Any required repayment under subsection ~~(m)~~ **(o)** shall be reported by the account owner on the account owner's annual state income tax return for any taxable year in which a nonqualified withdrawal is made.

~~(o)~~ **(p)** A nonresident account owner who is not required to file an annual income tax return for a taxable year in which a nonqualified withdrawal is made shall make any required repayment on the form required under IC 6-3-4-1(2). If the nonresident account owner does not make the required repayment, the department shall issue a demand notice in accordance with IC 6-8.1-5-1.

~~(p)~~ **(q)** The executive director of the Indiana education savings authority shall submit or cause to be submitted to the department a copy of all information returns or statements issued to account owners, account beneficiaries, and other taxpayers for each taxable year with respect to:

(1) nonqualified withdrawals made from accounts of a college choice 529 education savings plan for the taxable year; or

(2) account closings for the taxable year.

(r) The department may disallow a credit under this section unless the taxpayer, at the request of the department, establishes by a preponderance of the evidence that the taxpayer who made the contribution giving rise to the credit did not have tax avoidance as the principal purpose of the contribution.

SECTION 155. IC 6-3-4-1.5, AS AMENDED BY P.L.131-2008, SECTION 14, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2010]: Sec. 1.5. (a) If a professional preparer files more than one hundred (100) returns in a calendar year for persons described in section 1(1) or 1(2) of this chapter, in the immediately following calendar year the professional preparer shall file returns for persons described in section 1(1) or 1(2) of this chapter in an electronic format specified by the department.

(b) A professional preparer described in subsection (a) is not required to file a return in an electronic format if:

(1) the taxpayer or the taxpayer's spouse:

(A) claims the additional exemption for the elderly under IC 6-3-1-3.5(a)(4)(B); or

(B) has elected because of religious beliefs not to participate in the federal Social Security program; and

(2) the taxpayer requests in writing that the return not be filed in an electronic format. Returns filed by a professional preparer under this subsection shall not be used in determining the professional preparer's requirement to file returns in an electronic format.

(c) After December 31, 2010, a professional preparer who does not comply with subsection (a) is subject to a penalty of fifty dollars ($50) for each return not filed in an electronic format, with a maximum penalty of twenty-five thousand dollars ($25,000) per calendar year.

SECTION 156. IC 6-3-4-8.1, AS AMENDED BY P.L.211-2007, SECTION 25, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2010]: Sec. 8.1. (a) Any entity that is required to file a monthly return and make a monthly remittance of taxes under sections 8, 12, 13, and 15 of this chapter shall file those returns and make those remittances twenty (20) days (rather than thirty (30) days) after the end of each month for which those returns and remittances are filed, if that entity's average monthly remittance for the immediately preceding calendar year exceeds one thousand dollars ($1,000).

(b) The department may require any entity to make the entity's monthly remittance and file the entity's monthly return twenty (20) days (rather than thirty (30) days) after the end of each month for which a return and payment are made if the department estimates that the entity's average monthly payment for the current calendar year will exceed one thousand dollars ($1,000).

(c) If the department determines that a withholding agent is not withholding, reporting, or remitting an amount of tax in accordance with this chapter, the department may require the withholding agent:

(1) to make periodic deposits during the reporting period; and

(2) to file an informational return with each periodic deposit.

(d) If a person files a combined sales and withholding tax report and either this section or IC 6-2.5-6-1 requires the sales or withholding tax report to be filed and remittances to be made within twenty (20) days after the end of each month, then the person shall file the combined report and remit the sales and withholding taxes due within twenty (20) days after the end of each month.

(e) If the department determines that an entity's:

(1) estimated monthly withholding tax remittance for the current year; or

(2) average monthly withholding tax remittance for the preceding year;

exceeds five thousand dollars ($5,000), the entity shall remit the monthly withholding taxes due by electronic fund transfer (as defined in IC 4-8.1-2-7) or by delivering in person or by overnight courier a payment by cashier's check, certified check, or money order to the department. The transfer or payment shall be made on or before the date the remittance is due.

~~(f) If an entity's withholding tax remittance is made by electronic fund transfer, the entity is not required to file a monthly withholding tax return.~~

(f) An entity that registers to withhold taxes after December 31, 2009, is required to file the withholding tax report and remit withholding taxes electronically through the department's online tax filing program.

"SECTION 161. IC 6-3.5-1.1-9, AS AMENDED BY P.L.146-2008, SECTION 327, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2010]: Sec. 9. (a) Revenue derived from the imposition of the county adjusted gross income tax shall, in the manner prescribed by this section, be distributed to the county that imposed it. The amount to be distributed to a county during an ensuing calendar year equals the amount of county adjusted gross income tax revenue that the ~~department, after reviewing the recommendation of the~~ budget agency determines has been:

(1) received from that county for a taxable year ending before the calendar year in which the determination is made; and
(2) reported on an annual return or amended return processed by the department in the state fiscal year ending before July 1 of the calendar year in which the determination is made;

as adjusted ~~(as determined after review of the recommendation of the budget agency)~~ for refunds of county adjusted gross income tax made in the state fiscal year.

(b) Before August 2 of each calendar year, the ~~department, after reviewing the recommendation of the~~ budget agency shall certify to the county auditor of each adopting county the amount determined under subsection (a) plus the amount of interest in the county's account that has accrued and has not been included in a certification made in a preceding year. The amount certified is the county's "certified distribution" for the immediately succeeding calendar year. The amount certified shall be adjusted under subsections (c), (d), (e), (f), (g), and (h). The budget agency shall provide the county council with an informative summary of the calculations used to determine the certified distribution. The summary of calculations must include:

(1) the amount reported on individual income tax returns processed by the department during the previous fiscal year;
(2) adjustments for over distributions in prior years;
(3) adjustments for clerical or mathematical errors in prior years;
(4) adjustments for tax rate changes; and
(5) the amount of excess account balances to be distributed under IC 6-3.5-1.1-21.1.

The ~~department~~ **budget agency** shall also certify information concerning the part of the certified distribution that is attributable to a tax rate under section 24, 25, or 26 of this chapter. This information must be certified to the county auditor, **the department,** and ~~to~~ the department of local government finance not later than September 1 of

each calendar year. The part of the certified distribution that is attributable to a tax rate under section 24, 25, or 26 of this chapter may be used only as specified in those provisions.

(c) The ~~department~~ **budget agency** shall certify an amount less than the amount determined under subsection (b) if the ~~department, after reviewing the recommendation of the~~ budget agency determines that the reduced distribution is necessary to offset overpayments made in a calendar year before the calendar year of the distribution. The ~~department after reviewing the recommendation of the~~ budget agency may reduce the amount of the certified distribution over several calendar years so that any overpayments are offset over several years rather than in one (1) lump sum.

(d) The ~~department, after reviewing the recommendation of the~~ budget agency shall adjust the certified distribution of a county to correct for any clerical or mathematical errors made in any previous certification under this section. The ~~department, after reviewing the recommendation of the~~ budget agency may reduce the amount of the certified distribution over several calendar years so that any adjustment under this subsection is offset over several years rather than in one (1) lump sum.

(e) The ~~department, after reviewing the recommendation of the~~ budget agency shall adjust the certified distribution of a county to provide the county with the distribution required under section 10(b) of this chapter.

(f) This subsection applies to a county that:

(1) initially imposes the county adjusted gross income tax; or

(2) increases the county adjusted income tax rate;

under this chapter in the same calendar year in which the ~~department~~ **budget agency** makes a certification under this section. The ~~department, after reviewing the recommendation of the~~ budget agency shall adjust the certified distribution of a county to provide for a distribution in the immediately following calendar year and in each calendar year thereafter. The ~~department~~ **budget agency** shall provide for a full transition to certification of distributions as provided in subsection (a)(1) through (a)(2) in the manner provided in subsection (c).

(g) The ~~department, after reviewing the recommendation of the~~ budget agency shall adjust the certified distribution of a county to provide the county with the distribution required under section 3.3 of this chapter beginning not later than the tenth month after the month in which additional revenue from the tax authorized under section 3.3 of this chapter is initially collected.

(h) This subsection applies in the year in which a county initially imposes a tax rate under section 24 of this chapter. Notwithstanding any other provision, the ~~department~~ **budget agency** shall adjust the part of the county's certified distribution that is attributable to the tax rate under section 24 of this chapter to provide for a distribution in the immediately following calendar year equal to the result of:

(1) the sum of the amounts determined under STEP ONE through STEP FOUR of IC 6-3.5-1.5-1(a) in the year in which

the county initially imposes a tax rate under section 24 of this chapter; multiplied by

(2) two (2).".

(b) A supplemental distribution described in subsection (a) must be:

(1) made in January of the ensuing calendar year; and

(2) allocated and, subject to subsection (d), used in the same manner as certified distributions.

(c) A determination under this section must be made before October 2.

(d) This subsection applies to that part of a distribution made under this section that is allocated and available for use in the same manner as certified shares. "SECTION 167. IC 6-3.5-1.5-1, AS AMENDED BY P.L.146-2008, SECTION 334, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2009 (RETROACTIVE)]: Sec. 1. (a) The department of local government finance and the department of state revenue **(before January 1, 2010) or the budget agency (after December 31, 2009)** shall, before July 1 of each year, jointly calculate the county adjusted income tax rate or county option income tax rate (as applicable) that must be imposed in a county to raise income tax revenue in the following year equal to the sum of the following STEPS:

STEP ONE: Determine the greater of zero (0) or the result of:

(1) the department of local government finance's estimate of the sum of the maximum permissible ad valorem property tax levies calculated under IC 6-1.1-18.5 for all civil taxing units in the county for the ensuing calendar year (before any

adjustment under IC 6-1.1-18.5-3(g) or IC 6-1.1-18.5-3(h) for the ensuing calendar year); minus

(2) the sum of the maximum permissible ad valorem property tax levies calculated under IC 6-1.1-18.5 for all civil taxing units in the county for the current calendar year.

In the case of a civil taxing unit that is located in more than one (1) county, the department of local government finance shall, for purposes of making the determination under this subdivision, apportion the civil taxing unit's maximum permissible ad valorem property tax levy among the counties in which the civil taxing unit is located.

STEP TWO: This STEP applies only to property taxes first due and payable before January 1, 2009. Determine the greater of zero (0) or the result of:

(1) the department of local government finance's estimate of the family and children property tax levy that will be imposed by the county under IC 12-19-7-4 for the ensuing calendar year (before any adjustment under IC 12-19-7-4(b) for the ensuing calendar year); minus

(2) the county's family and children property tax levy imposed by the county under IC 12-19-7-4 for the current calendar year.

STEP THREE: This STEP applies only to property taxes first due and payable before January 1, 2009. Determine the greater of zero (0) or the result of:

(1) the department of local government finance's estimate of the children's psychiatric residential treatment services property tax levy that will be imposed by the county under IC 12-19-7.5-6 for the ensuing calendar year (before any adjustment under IC 12-19-7.5-6(b) for the ensuing calendar year); minus

(2) the children's psychiatric residential treatment services property tax imposed by the county under IC 12-19-7.5-6 for the current calendar year.

STEP FOUR: Determine the greater of zero (0) or the result of:

(1) the department of local government finance's estimate of the county's maximum community mental health centers property tax levy under IC 12-29-2-2 for the ensuing calendar year (before any adjustment under IC 12-29-2-2(c) for the ensuing calendar year); minus

(2) the county's maximum community mental health centers property tax levy under IC 12-29-2-2 for the current calendar year.

(b) In the case of a county that wishes to impose a tax rate under IC 6-3.5-1.1-24 or IC 6-3.5-6-30 (as applicable) for the first time, the department of local government finance and the department of state revenue **(before January 1, 2010) or the budget agency (after December 31, 2009)** shall jointly estimate the amount that will be calculated under subsection (a) in the second year after the tax rate is first imposed. The department of local government finance and the

department of state revenue **(before January 1, 2010) or the budget agency (after December 31, 2009)** shall calculate the tax rate under IC 6-3.5-1.1-24 or IC 6-3.5-6-30 (as applicable) that must be imposed in the county in the second year after the tax rate is first imposed to raise income tax revenue equal to the estimate under this subsection.

(c) The department **(before January 1, 2010) or the budget agency (after December 31, 2009)** and the department of local government finance shall make the calculations under subsections (a) and (b) based on the best information available at the time the calculation is made.

(d) Notwithstanding IC 6-3.5-1.1-24(h) and IC 6-3.5-6-30(h), if a county has adopted an income tax rate under IC 6-3.5-1.1-24 or IC 6-3.5-6-30 to replace property tax levy growth, the part of the tax rate under IC 6-3.5-1.1-24 or IC 6-3.5-6-30 that was used before January 1, 2009, to reduce levy growth in the county family and children's fund property tax levy and the children's psychiatric residential treatment services property tax levy shall instead be used for property tax relief in the same manner that a tax rate under IC 6-3.5-1.1-26 or ~~IC 6-3.5-6-30~~ **IC 6-3.5-6-32** is used for property tax relief.

SECTION 168. IC 6-3.5-1.5-3, AS ADDED BY P.L.224-2007, SECTION 69, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2010]: Sec. 3. (a) Revenue derived from the imposition of the county option income tax shall, in the manner prescribed by this section, be distributed to the county that imposed it. The amount that is to be distributed to a county during an ensuing calendar year equals the amount of county option income tax revenue that the ~~department, after reviewing the recommendation of the~~ budget agency determines has been:

(1) received from that county for a taxable year ending in a calendar year preceding the calendar year in which the determination is made; and

(2) reported on an annual return or amended return processed by the department in the state fiscal year ending before July 1 of the calendar year in which the determination is made;

as adjusted (as determined after review of the recommendation of the budget agency) for refunds of county option income tax made in the state fiscal year.

(b) Before August 2 of each calendar year, the ~~department, after reviewing the recommendation of the~~ budget agency shall certify to the county auditor of each adopting county the amount determined under

subsection (a) plus the amount of interest in the county's account that has accrued and has not been included in a certification made in a preceding year. The amount certified is the county's "certified distribution" for the immediately succeeding calendar year. The amount certified shall be adjusted, as necessary, under subsections (c), (d), (e), and (f). The budget agency shall provide the county council with an informative summary of the calculations used to determine the certified distribution. The summary of calculations must include:

(1) the amount reported on individual income tax returns processed by the department during the previous fiscal year;

(2) adjustments for over distributions in prior years;

(3) adjustments for clerical or mathematical errors in prior years;

(4) adjustments for tax rate changes; and

(5) the amount of excess account balances to be distributed under IC 6-3.5-6-17.3.

The ~~department~~ **budget agency** shall also certify information concerning the part of the certified distribution that is attributable to a tax rate under section 30, 31, or 32 of this chapter. This information must be certified to the county auditor and to the department of local government finance not later than September 1 of each calendar year. The part of the certified distribution that is attributable to a tax rate under section 30, 31, or 32 of this chapter may be used only as specified in those provisions.

(c) The ~~department~~ **budget agency** shall certify an amount less than the amount determined under subsection (b) if the ~~department, after reviewing the recommendation of the~~ budget agency determines that the reduced distribution is necessary to offset overpayments made in a calendar year before the calendar year of the distribution. The ~~department, after reviewing the recommendation of the~~ budget agency may reduce the amount of the certified distribution over several calendar years so that any overpayments are offset over several years rather than in one (1) lump sum.

(d) The ~~department, after reviewing the recommendation of the~~ budget agency shall adjust the certified distribution of a county to correct for any clerical or mathematical errors made in any previous certification under this section. The ~~department, after reviewing the recommendation of the~~ budget agency may reduce the amount of the certified distribution over several calendar years so that any adjustment under this subsection is offset over several years rather than in one (1) lump sum.

Notwithstanding any other provision, the ~~department~~ **budget agency** shall adjust the part of the county's certified distribution that is attributable to the tax rate under section 30 of this chapter to provide for a distribution in the immediately following calendar year equal to the result of:

(1) the sum of the amounts determined under STEP ONE through STEP FOUR of IC 6-3.5-1.5-1(a) in the year in which the county initially imposes a tax rate under section 30 of this chapter; multiplied by

(2) the following:

(A) In a county containing a consolidated city, one and five-tenths (1.5).

(g) One-twelfth (1/12) of each adopting county's certified distribution for a calendar year shall be distributed from its account established under section 16 of this chapter to the appropriate county treasurer on the first day of each month of that calendar year.

(h) Upon receipt, each monthly payment of a county's certified distribution shall be allocated among, distributed to, and used by the civil taxing units of the county as provided in sections 18 and 19 of this chapter.

(i) All distributions from an account established under section 16 of this chapter shall be made by warrants issued by the auditor of state to the treasurer of state ordering the appropriate payments.

(b) A supplemental distribution described in subsection (a) must be:

(1) made in January of the ensuing calendar year; and

(2) allocated in the same manner as certified distributions for deposit in a civil unit's rainy day fund established under IC 36-1-8-5.1.

"SECTION 176. IC 6-3.5-6-27, AS ADDED BY P.L.214-2005, SECTION 18, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2010]: Sec. 27. (a) This section applies only to Miami County. Miami County possesses unique economic development challenges due to:

(1) underemployment in relation to similarly situated counties; and

(2) the presence of a United States government military base or other military installation that is completely or partially inactive or closed.

Maintaining low property tax rates is essential to economic development, and the use of county option income tax revenues as provided in this chapter to pay any bonds issued or leases entered into to finance the construction, acquisition, improvement, renovation, and equipping described under subsection (c), rather than use of property taxes, promotes that purpose.

(b) In addition to the rates permitted by sections 8 and 9 of this chapter, the county council may impose the county option income tax at a rate of twenty-five hundredths percent (0.25%) on the adjusted gross income of resident county taxpayers if the county council makes the finding and determination set forth in subsection (c). Section 8(e) of this chapter applies to the application of the additional rate to nonresident taxpayers.

(c) In order to impose the county option income tax as provided in this section, the county council must adopt an ordinance finding and determining that revenues from the county option income tax are needed to pay the costs of financing, constructing, acquiring, renovating, and equipping a county jail, including the repayment of bonds issued, or leases entered into, for financing, constructing, acquiring, renovating, and equipping a county jail.

(d) If the county council makes a determination under subsection (c), the county council may adopt a tax rate under subsection (b). The tax rate may not be imposed at a rate or for a time greater than is necessary to pay the costs of financing, constructing, acquiring, renovating, and equipping a county jail.

(e) The county treasurer shall establish a county jail revenue fund to be used only for the purposes described in this section. County option income tax revenues derived from the tax rate imposed under this section shall be deposited in the county jail revenue fund before making a certified distribution under section 18 of this chapter.

(f) County option income tax revenues derived from the tax rate imposed under this section:

(1) may only be used for the purposes described in this section;

(2) may not be considered by the department of local government finance in determining the county's maximum permissible property tax levy limit under IC 6-1.1-18.5; and

(3) may be pledged to the repayment of bonds issued, or leases entered into, for the purposes described in subsection (c).

(g) The ~~department, after reviewing the recommendation of the~~ budget agency shall adjust the certified distribution of a county to provide for an increased distribution of taxes in the immediately following calendar year after the county adopts an increased tax rate under this section and in each calendar year thereafter. The ~~department~~ **budget agency** shall provide for a full transition to certification of distributions as provided in section 17(a)(1) through 17(a)(2) of this chapter in the manner provided in section 17(c) of this chapter.

(b) Maintaining low property tax rates is essential to economic development, and the use of county option income tax revenues as provided in this section and as needed in the county to fund the operation and maintenance of a jail and juvenile detention center, rather than the use of property taxes, promotes that purpose.

(c) In addition to the rates permitted by sections 8 and 9 of this chapter, the county fiscal body may impose a county option income tax at a rate that does not exceed twenty-five hundredths percent (0.25%) on the adjusted gross income of resident county taxpayers. The tax rate may be adopted in any increment of one hundredth percent (0.01%). Before the county fiscal body may adopt a tax rate under this section, the county fiscal body must make the finding and determination set forth in subsection (d). Section 8(e) of this chapter applies to the application of the additional tax rate to nonresident taxpayers.

(d) In order to impose the county option income tax as provided in this section, the county fiscal body must adopt an ordinance:

(2) agreeing to freeze the part of any property tax levy imposed in the county for the operation of the jail or juvenile detention center, or both, covered by the ordinance at the rate imposed in the year preceding the year in which a full year of additional county option income tax is certified for distribution to the county under this section for the term in which an ordinance is in effect under this section.

(e) If the county fiscal body makes a determination under subsection (d), the county fiscal body may adopt a tax rate under subsection (c). Subject to the limitations in subsection (c), the county fiscal body may amend an ordinance adopted under this section to increase, decrease, or rescind the additional tax rate imposed under this section. An ordinance adopted under this section after March 31 of a year initially applies to the

imposition of county option income taxes after June 30 of the immediately following year.

(f) The county treasurer shall establish a county jail revenue fund to be used only for the purposes described in this section. County option income tax revenues derived from the tax rate imposed under this section shall be deposited in the county jail revenue fund before making a certified distribution under section 18 of this chapter.

(2) may not be considered by the department of local government finance in determining the county's maximum permissible property tax levy limit under IC 6-1.1-18.5.

(h) The department of local government finance shall enforce an agreement under subsection (d)(2).

(i) The ~~department, after reviewing the recommendation of the~~ budget agency shall adjust the certified distribution of a county to provide for an increased distribution of taxes in the immediately following calendar year after the county adopts an increased tax rate under this section and in each calendar year thereafter. (b) Maintaining low property tax rates is essential to economic development, and the use of county option income tax revenues as provided in this chapter and as needed in the county to fund the operation and maintenance of a juvenile detention center and other facilities to provide juvenile services, rather than the use of property taxes, promotes that purpose.

(c) In addition to the rates permitted by sections 8 and 9 of this chapter, the county fiscal body may impose an additional county option income tax at a rate of not more than twenty-five hundredths percent (0.25%) on the adjusted gross income of resident county taxpayers if the county fiscal body makes the finding and determination set forth in subsection (d). Section 8(e) of this chapter applies to the application of the additional rate to nonresident taxpayers.

(f) The county treasurer shall establish a county juvenile detention center revenue fund to be used only for the purposes described in this section. County option income tax revenues derived from the tax rate

imposed under this section shall be deposited in the county juvenile detention center revenue fund before a certified distribution is made under section 18 of this chapter.

The ~~department~~ **budget agency** shall provide for a full transition to certification of distributions as provided in section 17(a)(1) through 17(a)(2) of this chapter in the manner provided in section 17(c) of this chapter.

SECTION 182. IC 6-3.5-7-11, AS AMENDED BY HEA 1198-2009, SECTION 54, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2010]: Sec. 11. (a) Revenue derived from the imposition of the county economic development income tax shall, in the manner prescribed by this section, be distributed to the county that imposed it.

(b) Before August 2 of each calendar year, the ~~department, after reviewing the recommendation of the~~ budget agency shall certify to the county auditor of each adopting county the sum of the amount of county economic development income tax revenue that the ~~department~~ **budget agency** determines has been:

(1) received from that county for a taxable year ending before the calendar year in which the determination is made; and

(2) reported on an annual return or amended return processed by the department in the state fiscal year ending before July 1 of the calendar year in which the determination is made;

as adjusted ~~(as determined after review of the recommendation of the budget agency)~~ for refunds of county economic development income tax made in the state fiscal year plus the amount of interest in the county's account that has been accrued and has not been included in a certification made in a preceding year. The amount certified is the county's certified distribution, which shall be distributed on the dates specified in section 16 of this chapter for the following calendar year.

(c) The amount certified under subsection (b) shall be adjusted under subsections (d), (e), (f), (g), and (h). The budget agency shall provide the county council with an informative summary of the calculations used to determine the certified distribution. The summary of calculations must include:

(d) The ~~department~~ **budget agency** shall certify an amount less than the amount determined under subsection (b) if the ~~department, after reviewing the recommendation of the~~ budget agency determines that the reduced distribution is necessary to offset overpayments made in a calendar year before the calendar year of the distribution. The ~~department, after reviewing the recommendation of the~~ budget agency may reduce the amount of the certified distribution over several calendar years so that any overpayments are offset over several years rather than in one (1) lump sum.

(e) ~~After reviewing the recommendation of~~ The budget agency ~~the department~~ shall adjust the certified distribution of a county to correct for any clerical or mathematical errors made in any previous certification under this section. The ~~department, after reviewing the recommendation of the~~ budget agency may reduce the amount of the certified distribution over several calendar years so that any adjustment under this subsection is offset over several years rather than in one (1) lump sum.

(h) This subsection applies to a county that:

(1) initially imposed the county economic development income tax; or

(2) increases the county economic development income rate;

under this chapter in the same calendar year in which the ~~department~~ **budget agency** makes a certification under this section. The ~~department, after reviewing the recommendation of the~~ budget agency shall adjust the certified distribution of a county to provide for a distribution in the immediately following calendar year and in each calendar year thereafter. Except as otherwise provided in IC 6-4.1-6-6(b), the inheritance tax accrues and the lien attaches at the time of the decedent's death. (c) If a tax payment that has been erroneously or illegally collected is not refunded within ninety (90) days after **the later of** the date on which:

(1) the refund claim is filed with the department of state revenue; **or**

(2) the inheritance tax return is received by the department of state revenue;

SECTION 187. IC 6-6-1.1-606.5 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2009]: Sec. 606.5. (a) Every person included within the terms of section 606(a) and 606(c) of this chapter shall register with the administrator before engaging in those activities.

The administrator shall issue a transportation license to a person who registers with the administrator under this section.

(b) Every person included within the terms of section 606(a) of this chapter who transports gasoline in a vehicle on the highways in Indiana for purposes other than use and consumption by that person may not make a delivery of that gasoline to any person in Indiana other than a licensed distributor except:

(1) when the tax imposed by this chapter on the receipt of the transported gasoline was charged and collected by the parties; and

(2) under the circumstances described in section 205 of this chapter.

(c) Every person included within the terms of section 606(c) of this chapter who transports gasoline in a vehicle upon the highways of Indiana for purposes other than use and consumption by that person may not, on the journey carrying that gasoline to points outside Indiana, make delivery of that fuel to any person in Indiana.

(d) Every transporter of gasoline included within the terms of section 606(a) and ~~section~~ 606(c) of this chapter who transports gasoline upon the highways of Indiana for purposes other than use and consumption by that person shall at the time of registration and on an annual basis list with the administrator a description of all vehicles, including the vehicles' license numbers, to be used on the highways of Indiana in transporting gasoline from:

(1) points outside Indiana to points inside Indiana; and

(2) points inside Indiana to points outside Indiana.

(e) The description that subsection (d) requires shall contain the information that is reasonably required by the administrator including the carrying capacity of the vehicle. When the vehicle is a tractor-trailer type, the trailer is the vehicle to be described. When additional vehicles are placed in service or when a vehicle previously listed is retired from service during the year, the administrator shall be notified within ten (10) days of the change so that the listing of the vehicles may be kept accurate.

(f) A distributor's or an Indiana transportation license is required for a person or the person's agent acting in the person's behalf to operate a vehicle for the purpose of delivering gasoline within the boundaries of Indiana when the vehicle has a total tank capacity of at least eight hundred fifty (850) gallons.

(g) The operator of a vehicle to which this section applies shall at all times when engaged in the transporting of gasoline on the highways have with the vehicle an invoice or manifest showing the origin, quantity, nature, and destination of the gasoline that is being transported.

(h) The department shall provide for relief if a shipment of gasoline is legitimately diverted from the represented destination state after the shipping paper has been issued by a terminal operator or if a terminal operator failed to cause proper information to be printed on the shipping paper. Provisions for relief under this subsection:

(1) must require that the shipper or its agent provide notification to the department before a diversion or correction if an intended diversion or correction is to occur; and

(2) must be consistent with the refund provisions of this chapter.

SECTION 188. IC 6-6-2.5-35 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2009]: Sec. 35. (a) The tax on special fuel received by a licensed supplier in Indiana that is imposed by section 28 of this chapter shall be collected and remitted to the state by the supplier who receives taxable gallons in accordance with subsection (b).

(b) On or before the fifteenth day of each month, licensed suppliers and licensed permissive suppliers shall make an estimated payment of all taxes imposed on transactions that occurred during the previous calendar month equal to:

(1) one hundred percent (100%) of the amount remitted by the licensed supplier or licensed permissive supplier for the month preceding the previous calendar month; or

(2) ninety-five percent (95%) of the amount actually due and payable by the licensed supplier or licensed permissive supplier for the previous month.

Any remaining tax imposed on transactions occurring during a calendar month shall be due and payable on or before the twentieth day of the following month, except as provided in subsection (i). Underpayments of estimated taxes due and owing the department are not subject to a penalty under section 63(a) of this chapter.

(c) A supplier who sells special fuel shall collect from the purchaser the special fuel tax imposed under section 28 of this chapter. At the election of an eligible purchaser, the seller shall not require a payment of special fuel tax from the purchaser at a time that is earlier than the date on which the tax is required to be remitted by the supplier under subsection (b). This election shall be subject to a condition that the eligible purchaser's remittances of all amounts of tax due the seller shall be paid by electronic funds transfer on or before the due date of the remittance by the supplier to the department, and the eligible purchaser's election under this subsection may be terminated by the seller if the eligible purchaser does not make timely payments to the seller as required by this subsection.

(d) As used in this section, "eligible purchaser" means a person who has authority from the department to make the election under subsection (c) and includes every person who is licensed and in good standing as a special fuel dealer or special fuel user, as determined by the department, as of July 1, 1993, who has purchased a minimum of two hundred forty thousand (240,000) taxable gallons of special fuel each year in the preceding two (2) years, or who otherwise meets the financial responsibility and bonding requirements of subsection (e).

(e) Each purchaser that desires to make an election under subsection (c) shall present evidence of the purchaser's eligible purchaser status to the purchaser's seller. The department shall

determine whether the purchaser is an eligible purchaser. The department may require a purchaser that pays the tax to a supplier to file with the department a surety bond payable to the state, upon which the purchaser is the obligor or other financial security, in an amount satisfactory to the department. The department may require that the bond indemnify the department against bad debt deductions claimed by the supplier under subsection (g).

(f) The department shall have the authority to rescind a purchaser's eligibility and election to defer special fuel tax remittances upon a showing of good cause, including failure to make timely payment under subsection (c), by sending written notice to all suppliers and eligible purchasers. The department may require further assurance of the purchaser's financial responsibility, or may increase the bond requirement for that purchaser, or any other action that the department may require to ensure remittance of the special fuel tax.

(g) In computing the amount of special fuel tax due, the supplier and permissive supplier shall be entitled to a deduction from the tax payable the amount of tax paid by the supplier that has become uncollectible from a purchaser. The department shall adopt rules establishing the evidence a supplier must provide to receive the deduction. The deduction shall be claimed on the first return following the date of the failure of the purchaser if the payment remains unpaid as of the filing date of that return or the deduction shall be disallowed. The claim shall identify the defaulting purchaser and any tax liability that remains unpaid. If a purchaser fails to make a timely payment of the amount of tax due, the supplier's deduction shall be limited to the amount due from the purchaser, plus any tax that accrues from that purchaser for a period of ten (10) days following the date of failure to pay. No additional deduction shall be allowed until the department has authorized the purchaser to make a new election under subsection (e). The department may require the deduction to be reported in the same manner as prescribed in Section 166 of the Internal Revenue Code.

(h) The supplier and each reseller of special fuel is considered to be a collection agent for this state with respect to that special fuel tax, which shall be set out on all invoices and billings as a separate line item.

(i) Except as provided in subsection (e), the tax imposed by section 28 of this chapter on special fuel imported from another state shall be paid by the licensed importer who has imported the nonexempt special fuel not later than three (3) business days after ~~the earlier of:~~

~~(1)~~ the time that the nonexempt special fuel entered into Indiana.

~~or~~

~~(2) the time that a valid import verification number was assigned by the department under rules and procedures adopted by the department.~~

However, if the importer and the importer's reseller have previously entered into a tax precollection agreement as described in subsection (j), and the agreement remains in effect, the supplier with whom the agreement has been made shall become jointly liable with the importer for the tax and shall remit the tax to the department on behalf of the

importer. This subsection does not apply to an importer with respect to imports in vehicles with a capacity of not more than five thousand four hundred (5,400) gallons.

(j) The department, a licensed importer, the reseller to a licensed importer, and a licensed supplier or permissive supplier may jointly enter into an agreement for the licensed supplier or permissive supplier to precollect and remit the tax imposed by this chapter with respect to special fuel imported from a terminal outside of Indiana in the same manner and at the same time as the tax would arise and be paid under this chapter if the special fuel had been received by the licensed supplier or permissive supplier at a terminal in Indiana. If the supplier is also the importer, the agreement shall be entered into between the supplier and the department. However, any licensed supplier or permissive supplier may make an election with the department to treat all out-of-state terminal removals with an Indiana destination as shown on the terminal-issued shipping paper as if the removals were received by the supplier in Indiana pursuant to section 28 of this chapter and subsection (a), for all purposes. In this case, the election and notice of the election to a supplier's customers shall operate instead of a three (3) party precollection agreement. The department may impose requirements reasonably necessary for the enforcement of this subsection.

(k) Each licensed importer who is liable for the tax imposed by this chapter on nonexempt special fuel imported by a fuel transport truck having less than five thousand four hundred (5,400) gallons capacity, for which tax has not previously been paid to a supplier, shall remit the special fuel tax for the preceding month's import activities with the importer's monthly report of activities. A licensed importer shall be allowed to retain two-thirds (2/3) of the collection allowance provided for in section 37(a) of this chapter for the tax timely remitted by the importer directly to the state, subject to the same pass through provided for in section 37(a) of this chapter.

(l) A licensed importer shall be allowed to retain two-thirds (2/3) of the amount allowed in section 37(a) of this chapter of the tax timely remitted by the licensed importer directly to the state, subject to the same pass through provided for in section 37(a) of this chapter.

SECTION 189. IC 6-6-2.5-41 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2009]: Sec. 41. (a) Each supplier engaged in business in Indiana as a supplier shall first obtain a supplier's license. The fee for a supplier's license shall be five hundred dollars ($500).

(b) Any person who desires to collect the tax imposed by this chapter as a supplier and who meets the definition of a permissive supplier may obtain a permissive supplier's license. Application for or possession of a permissive supplier's license shall not in itself subject the applicant or licensee to the jurisdiction of Indiana for any other purpose than administration and enforcement of this chapter. The fee for a permissive supplier's license is fifty dollars ($50).

(c) Each terminal operator other than a supplier licensed under subsection (a) engaged in business in Indiana as a terminal operator

shall first obtain a terminal operator's license for each terminal site. The fee for a terminal operator's license is three hundred dollars ($300).

(d) Each exporter engaged in business in Indiana as an exporter shall first obtain an exporter's license. However, in order to obtain a license to export special fuel from Indiana to another specified state, a person shall be licensed either to collect and remit special fuel taxes or be licensed to deal in tax free special fuel in that other specified state of destination. The fee for an exporter's license is two hundred dollars ($200).

(e) Each person who is not licensed as a supplier shall obtain a transporter's license before transporting special fuel by whatever manner from a point outside Indiana to a point inside Indiana, or from a point inside Indiana to a point outside Indiana, regardless of whether the person is engaged for hire in interstate commerce or for hire in intrastate commerce. The registration fee for a transporter's license is fifty dollars ($50).

(f) Each person who wishes to cause special fuel to be delivered into Indiana on the person's own behalf, for the person's own account, or for resale to an Indiana purchaser, from another state in a fuel transport vehicle having a capacity of more than five thousand four hundred (5,400) gallons, or in a pipeline or barge shipment into storage facilities other than a qualified terminal, shall first make an application for and obtain an importer's license. The fee for an importer's license is two hundred dollars ($200). This subsection does not apply to a person who imports special fuel that is exempt because the special fuel has been dyed or marked, or both, in accordance with section 31 of this chapter. This subsection does not apply to a person who imports nonexempt special fuels meeting the following conditions:

(1) The special fuel is subject to one (1) or more tax precollection agreements with suppliers as provided in section 35 of this chapter.

(2) The special fuel tax precollection by the supplier is expressly evidenced on the terminal-issued shipping paper as specifically provided in section 62(e)(2) of this chapter.

(g) A person desiring to import special fuel to an Indiana destination who does not enter into an agreement to prepay Indiana special fuel tax to a supplier or permissive supplier under section 35 of this chapter on the imports must ~~do the following:~~

~~(1)~~ obtain a valid license under subsection (f).

~~(2) Obtain an import verification number from the department not earlier than twenty-four (24) hours before entering the state with each import, if importing in a vehicle with a capacity of more than five thousand four hundred (5,400) gallons.~~

~~(3) Display a proper import verification number on the shipping document, if importing in a vehicle with a capacity of more than five thousand four hundred (5,400) gallons.~~

(h) The department may require a person that wants to blend special fuel to first obtain a license from the department. The department may establish reasonable requirements for the proper

enforcement of this subsection, including the following:

(1) Guidelines under which a person may be required to obtain a license.

(2) A requirement that a licensee file reports in the form and manner required by the department.

(3) A requirement that a licensee meet the bonding requirements specified by the department.

(i) The department may require a person that:

(2) qualifies for a federal diesel fuel tax exemption under Section 4082 of the Internal Revenue Code; and

(3) is purchasing red dyed low sulfur diesel fuel;

to register with the department as a dyed fuel user. The department may establish reasonable requirements for the proper enforcement of this subsection, including guidelines under which a person may be required to register and the form and manner of reports a registrant is required to file.

SECTION 190. IC 6-6-2.5-62 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2009]: Sec. 62. (a) No person shall import, sell, use, deliver, or store in Indiana special fuel in bulk as to which dye or a marker, or both, has not been added in accordance with section 31 of this chapter, or as to which the tax imposed by this chapter has not been paid to or accrued by a licensed supplier or licensed permissive supplier as shown by a notation on a terminal-issued shipping paper subject to the following exceptions:

(1) A supplier shall be exempt from this provision with respect to special fuel manufactured in Indiana or imported by pipeline or waterborne barge and stored within a terminal in Indiana.

(2) An end user shall be exempt from this provision with respect to special fuel in a vehicle supply tank when the fuel was placed in the vehicle supply tank outside of Indiana.

(3) A licensed importer, and transporter operating on the importer's behalf, that transports in vehicles with a capacity of more than five thousand four hundred (5,400) gallons, shall be exempt from this prohibition if the importer or the transporter has met all of the following conditions:

~~(A) The importer or the transporter before entering onto the highways of Indiana has obtained an import verification number from the department not earlier than twenty-four (24) hours before entering Indiana.~~

~~(B) The import verification number must be set out prominently and indelibly on the face of each copy of the terminal-issued shipping paper carried on board the transport truck.~~

~~(C)~~ **(A)** The terminal origin and the importer's name and address must be set out prominently on the face of each copy of the terminal-issued shipping paper.

~~(D)~~ **(B)** The terminal-issued shipping paper data otherwise required by this chapter is present.

~~(E)~~ **(C)** All tax imposed by this chapter with respect to

previously requested import verification number activity **(before the repeal of requirements related to import verification numbers)** on the account of the importer or the transporter has been timely remitted.

In every case, a transporter acting in good faith is entitled to rely upon representations made to the transporter by the fuel supplier or importer and when acting in good faith is not liable for the negligence or malfeasance of another person. A person who knowingly violates or knowingly aids and abets another person in violating this subsection commits a Class D felony.

(b) No person shall export special fuel from Indiana unless that person has obtained an exporter's license or a supplier's license or has paid the destination state special fuel tax to the supplier and can demonstrate proof of export in the form of a destination state bill of lading. A person who knowingly violates or knowingly aids and abets another person in violating this subsection commits a Class D felony.

(c) No person shall operate or maintain a motor vehicle on any public highway in Indiana with special fuel contained in the fuel supply tank for the motor vehicle that contains dye or a marker, or both, as provided under section 31 of this chapter. This provision does not apply to persons operating motor vehicles that have received fuel into their fuel tanks outside of Indiana in a jurisdiction that permits introduction of dyed or marked, or both, special fuel of that color and type into the motor fuel tank of highway vehicles or to a person that qualifies for the federal fuel tax exemption under Section 4082 of the Internal Revenue Code and that is registered with the department as a dyed fuel user. A person who knowingly:

(1) violates; or

(2) aids and abets another person in violating;

this subsection commits a Class A infraction. However, the violation is a Class A misdemeanor if the person has committed one (1) prior unrelated violation of this subsection, and a Class D felony if the person has committed more than one (1) prior unrelated violation of this subsection.

(d) No person shall engage in any business activity in Indiana as to which a license is required by section 41 of this chapter unless the person shall have first obtained the license. A person who knowingly violates or knowingly aids and abets another person in violating this subsection commits a Class D felony.

(e) No person shall operate a motor vehicle with a capacity of more than five thousand four hundred (5,400) gallons that is engaged in the shipment of special fuel on the public highways of Indiana and that is destined for a delivery point in Indiana, as shown on the terminal-issued shipping papers, without having on board a terminal-issued shipping paper indicating with respect to any special fuel purchased:

(1) under claim of exempt use, a notation describing the load or the appropriate portion of the load as Indiana tax exempt special fuel;

(2) if not purchased under a claim of exempt use, a notation

describing the load or the appropriate portion thereof as Indiana taxed or pretaxed special fuel; or

(3) if imported by or on behalf of a licensed importer instead of the pretaxed notation, a valid verification number provided before entry into Indiana by the department or the department's designee or appointee, and the valid verification number may be handwritten on the shipping paper by the transporter or importer.

A person is in violation of subdivision (1) or (2) (whichever applies) if the person boards the vehicle with a shipping paper that does not meet the requirements described in the applicable subdivision (1) or (2). A person in violation of this subsection commits a Class A infraction (as defined in IC 34-28-5-4).

(f) A person may not sell or purchase any product for use in the supply tank of a motor vehicle for general highway use that does not meet ASTM standards as published in the annual Book of Standards and its supplements unless amended or modified by rules adopted by the department under IC 4-22-2. The transporter and the transporter's agent and customer have the exclusive duty to dispose of any product in violation of this section in the manner provided by federal and state law. A person who knowingly:

(1) violates; or

(2) aids and abets another in violating;

this subsection commits a Class D felony.

(g) This subsection does not apply to the following:

(1) A person that:

(A) inadvertently manipulates the dye or marker concentration of special fuel or coloration of special fuel; and

(B) contacts the department within one (1) business day after the date on which the contamination occurs.

(2) A person that affects the dye or marker concentration of special fuel by engaging in the blending of the fuel, if the blender:

(A) collects or remits, or both, all tax due as provided in section 28(g) of this chapter;

(B) maintains adequate records as required by the department to account for the fuel that is blended and its status as a taxable or exempt sale or use; and

(C) is otherwise in compliance with this subsection.

A person may not manipulate the dye or marker concentration of a special fuel or the coloration of special fuel after the special fuel is removed from a terminal or refinery rack for sale or use in Indiana. A person who knowingly violates or aids and abets another person to violate this subsection commits a Class D felony.

(h) This subsection does not apply to a person that receives blended fuel from a person in compliance with subsection (g)(2). A person may not sell or consume special fuel if the special fuel dye or marker concentration or coloration has been manipulated, inadvertently or otherwise, after the special fuel has been removed from a terminal or refinery rack for sale or use in Indiana. A person who knowingly:

(1) violates; or

(2) aids and abets another to violate;

this subsection commits a Class D felony.

(i) A person may not engage in blending fuel for taxable use in Indiana without collecting and remitting the tax due on the untaxed portion of the fuel that is blended. A person who knowingly:

(1) violates; or

(2) aids and abets another to violate;

this subsection commits a Class D felony.

SECTION 191. IC 6-6-2.5-64 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2009]: Sec. 64. (a) If any person liable for the tax files a false or fraudulent return, there shall be added to the tax an amount equal to the tax the person evaded or attempted to evade.

(b) The department shall impose a civil penalty of one thousand dollars ($1,000) for a person's first occurrence of transporting special fuel without adequate shipping papers as required under sections 40, 41(g), and 62(e) of this chapter, unless the person shall have complied with rules adopted under IC 4-22-2. Each subsequent occurrence described in this subsection is subject to a civil penalty of five thousand dollars ($5,000).

(c) The department shall impose a civil penalty on the operator of a vehicle of two hundred dollars ($200) for the initial occurrence, two thousand five hundred dollars ($2,500) for the second occurrence, and five thousand dollars ($5,000) for the third and each subsequent occurrence of a violation of either:

(1) the prohibition of use of dyed or marked special fuel, or both, on the Indiana public highways, except for a person that qualifies for the federal fuel tax exemption under Section 4082 of the Internal Revenue Code and that is registered with the department as a dyed fuel user; or

(2) the use of special fuel in violation of section 28(i) of this chapter.

(d) A supplier that makes sales for export to a person:

(1) who does not have an appropriate export license; or

(2) without collection of the destination state tax on special fuel nonexempt in the destination state;

shall be subject to a civil penalty equal to the amount of Indiana's special fuel tax in addition to the tax due.

(e) The department may impose a civil penalty of one thousand dollars ($1,000) for each occurrence against every terminal operator that fails to meet shipping paper issuance requirements under section 40 of this chapter.

(f) Each importer or transporter who knowingly imports undyed or unmarked special fuel, or both, in a transport truck without:

(1) a valid importer license;

(2) a supplier license;

~~(3) an import verification number, if transporting in a vehicle with a capacity of more than five thousand four hundred (5,400) gallons,~~ or

~~(4)~~ **(3)** a shipping paper showing on the paper's face as required under this chapter that Indiana special fuel tax is not due;

is subject to a civil penalty of ten thousand dollars ($10,000) for each occurrence described in this subsection.

(g) This subsection does not apply to a person if section 62(g) of this chapter does not apply to the person. A:

(1) person that manipulates the dye or marker concentration of special fuel or the coloration of special fuel after the special fuel is removed from a terminal or refinery rack for sale or use in Indiana; and

(2) person that receives the special fuel;

are jointly and severally liable for the special fuel tax due on the portion of untaxed fuel plus a penalty equal to the greater of one hundred percent (100%) of the tax due or one thousand dollars ($1,000).

(h) A person that engages in blending fuel for taxable sale or use in Indiana and does not collect and remit all tax due on untaxed fuel that is blended is liable for the tax due plus a penalty that is equal to the greater of one hundred percent (100%) of the tax due or one thousand dollars ($1,000).

SECTION 192. IC 6-6-2.5-65 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2009]: Sec. 65. (a) If a person is found operating a motor vehicle in violation of section 40(b), 40(c), or 62(e) of this chapter, the vehicle and its cargo is subject to impoundment, seizure, and subsequent sale, in accordance with IC 6-8.1. The failure of the operator of a motor vehicle to have on-board when loaded a terminal-issued bill of lading with a destination state machine printed on its face or which fails to meet the descriptive annotation requirements in section 40(b) ~~41(g)(2), 41(g)(3),~~ or 62(e) of this chapter, whichever may apply, shall be presumptive evidence of a violation sufficient to warrant impoundment and seizure of the vehicle and its cargo.

(b) After a person:

(1) is found in violation of section 62(c) of this chapter; and

(2) pays the tax due to the state;

the department shall issue a release to the person. The release must permit the dyed or marked special fuel, or both, that is the subject of the violation to be consumed on Indiana public highways within a grace period of twenty-four (24) hours after the time that the release is issued. After the grace period expires, the person shall be considered in violation of section 62(c) of this chapter if the person or the person's agent operates or maintains the same motor vehicle on an Indiana public highway with special fuel containing dye or a marker, or both.

SECTION 193. IC 6-6-4.1-12 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2009]: Sec. 12. (a) Except as authorized under section 13 of this chapter, a carrier may operate a commercial motor vehicle upon the highways in Indiana only if the carrier has been issued an annual permit, cab card, and emblem under this section.

(b) The department shall issue:

(1) an annual permit; and

(2) a cab card and an emblem for each commercial motor vehicle that will be operated by the carrier upon the highways in Indiana;

to a carrier who applies for an annual permit and pays to the department an annual permit fee of twenty-five dollars ($25) **not later than September 1 of the year before the annual permit is effective under subsection (c).**

(c) The annual permit, cab card, and emblem are effective from January 1 of each year through December 31 of the same year. The department may extend the expiration date of the annual permit, cab card, and emblem for no more than sixty (60) days. The annual permit, each cab card, and each emblem issued to a carrier remain the property of this state and may be suspended or revoked by the department for any violation of this chapter or of the rules concerning this chapter adopted by the department under IC 4-22-2.

(d) As evidence of compliance with this section, and for the purpose of enforcement, a carrier shall display on each commercial motor vehicle an emblem when the vehicle is being operated by the carrier in Indiana. The carrier shall affix the emblem to the vehicle in the location designated by the department. The carrier shall display in each vehicle the cab card issued by the department. The carrier shall retain the original annual permit at the address shown on the annual permit. During the month of December, the carrier shall display the cab card and emblem that are valid through December 31 or a full year cab card and emblem issued to the carrier for the ensuing twelve (12) months. If the department grants an extension of the expiration date, the carrier shall continue to display the cab card and emblem upon which the extension was granted.

(e) If a commercial motor vehicle is operated by more than one (1) carrier, as evidence of compliance with this section and for purposes of enforcement each carrier shall display in the commercial motor vehicle a reproduced copy of the carrier's annual permit when the vehicle is being operated by the carrier in Indiana.

(f) A person who fails to display an emblem required by this section on a commercial motor vehicle, does not have proof in the vehicle that the annual permit has been obtained, and operates that vehicle on an Indiana highway commits a Class C infraction. Each day of operation without an emblem constitutes a separate infraction. Notwithstanding IC 34-28-5-4, a judgment of not less than one hundred dollars ($100) shall be entered for each Class C infraction under this subsection.

(g) A person who displays an altered, false, or fictitious cab card required by this section in a commercial motor vehicle, does not have proof in the vehicle that the annual permit has been obtained, and operates that vehicle on an Indiana highway commits a Class C infraction. Each day of operation with an altered, false, or fictitious cab card constitutes a separate infraction.

SECTION 194. IC 6-6-4.1-13 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2009]: Sec. 13. (a) A carrier may, in lieu of paying the tax imposed under this chapter that would

otherwise result from the operation of a particular commercial motor vehicle, obtain from the department a trip permit authorizing the carrier to operate the commercial motor vehicle for a period of five (5) consecutive days. The department shall specify the beginning and ending days on the face of the permit. The fee for a trip permit for each commercial motor vehicle is fifty dollars ($50). The report otherwise required under section 10 of this chapter is not required with respect to a vehicle for which a trip permit has been issued under this subsection.

(b) The department may issue a temporary written authorization if unforeseen or uncertain circumstances require operations by a carrier of a commercial motor vehicle for which neither a trip permit described in subsection (a) nor an annual permit described in section 12 of this chapter has been obtained. A temporary authorization may be issued only if the department finds that undue hardship would result if operation under a temporary authorization were prohibited. A carrier who receives a temporary authorization shall:

(1) pay the trip permit fee at the time the temporary authorization is issued; or

(2) subsequently apply for and obtain an annual permit.

(c) A carrier may obtain an International Fuel Tax Agreement (IFTA) repair and maintenance permit to:

(1) travel from another state into Indiana to repair or maintain any of the carrier's motor vehicles, semitrailers (as defined in IC 9-13-2-164), or trailers (as defined in IC 9-13-2-184); and

(2) return to the same state after the repair or maintenance is completed.

The permit allows the travel described in this section. In addition to any other fee established in this chapter, and instead of paying the quarterly motor fuel tax imposed under this chapter, a carrier may pay an annual IFTA repair and maintenance fee of forty dollars ($40) and receive an IFTA annual repair and maintenance permit. The IFTA annual repair and maintenance permit and fee applies to all of the motor vehicles operated by a carrier. The IFTA annual repair and maintenance permit is not transferable to another carrier. A carrier may not carry cargo or passengers under the IFTA annual repair and maintenance permit. All fees collected under this subsection shall be deposited in the motor carrier regulation fund (IC 8-2.1-23). The report otherwise required under section 10 of this chapter is not required with respect to a motor vehicle that is operated under an IFTA annual repair and maintenance permit.

(d) A carrier may obtain an International Registration Plan (IRP) repair and maintenance permit to:

(1) travel from another state into Indiana to repair or maintain any of the carrier's motor vehicles, semitrailers (as defined in IC 9-13-2-164), or trailers (as defined in IC 9-13-2-184); and

(2) return to the same state after the repair or maintenance is completed.

The permit allows the travel described in this section. In addition to any other fee established in this chapter, and instead of paying apportioned or temporary IRP fees under IC 9-18-2 or IC 9-18-7, a carrier may pay

an annual IRP repair and maintenance fee of forty dollars ($40) and receive an IRP annual repair and maintenance permit. The IRP annual repair and maintenance permit and fee applies to all of the motor vehicles operated by a carrier. The IRP annual repair and maintenance permit is not transferable to another carrier. A carrier may not carry cargo or passengers under the IRP annual repair and maintenance permit. All fees collected under this subsection shall be deposited in the motor carrier regulation fund (IC 8-2.1-23).

(e) A person may obtain a repair and maintenance permit to:

(1) move an unregistered off-road vehicle from a quarry or mine to a maintenance or repair facility; and

(2) return the unregistered off-road vehicle to its place of origin.

The fee for the permit is forty dollars ($40). The permit is an annual permit and applies to all unregistered off-road vehicles from the same quarry or mine.

~~(e)~~ **(f)** A carrier may obtain a repair, maintenance, and relocation permit to:

(1) move a yard tractor from a terminal or loading or spotting facility to:

(A) a maintenance or repair facility; or

(B) another terminal or loading or spotting facility; and

(2) return the yard tractor to its place of origin.

The fee for the permit is forty dollars ($40). The permit is an annual permit and applies to all yard tractors operated by the carrier. The permit is not transferable to another carrier. A carrier may not carry cargo or transport or draw a semitrailer or other vehicle under the permit. A carrier may operate a yard tractor under the permit instead of paying the tax imposed under this chapter. A yard tractor that is being operated on a public highway under this subsection must display a license plate issued under IC 9-18-32. As used in this section, "yard tractor" has the meaning set forth under IC 9-13-2-201.

~~(f)~~ **(g)** The department shall establish procedures, by rules adopted under IC 4-22-2, for:

(1) the issuance and use of trip permits, temporary authorizations, and repair and maintenance permits; and

(2) the display in commercial motor vehicles of evidence of compliance with this chapter.".

SECTION 197. IC 6-6-5.5-7 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2009 (RETROACTIVE)]: Sec. 7. (a) For calendar years that begin after December 31, 2000, the annual excise tax for a commercial vehicle will be determined by the motor carrier services division on or before October 1 of each year in accordance with the following formula:

STEP ONE: Determine the total amount of base revenue to be distributed from the commercial vehicle excise tax fund to all taxing units in Indiana during the calendar year for which the tax is first due and payable. For calendar year 2001, the total amount of base revenue for all taxing units shall be determined as provided in section 19 of this chapter. For calendar years that begin after December 31, 2001, **and before January 1, 2009,** the total amount of base revenue for all taxing units shall be determined by multiplying the previous year's base revenue for all taxing units by one hundred five percent (105%). **For calendar years that begin after December 31, 2008, the total amount of base revenue for all taxing units shall be determined as provided in section 19 of this chapter.**

STEP TWO: Determine the sum of fees paid to register the following commercial vehicles in Indiana under the following statutes during the fiscal year that ends June 30 immediately preceding the calendar year for which the tax is first due and payable:

(A) Total registration fees collected under IC 9-29-5-3 for commercial vehicles with a declared gross weight in excess of eleven thousand (11,000) pounds, including trucks, tractors not used with semitrailers, traction engines, and other similar vehicles used for hauling purposes;

(B) Total registration fees collected under IC 9-29-5-5 for tractors used with semitrailers;

(C) Total registration fees collected under IC 9-29-5-6 for semitrailers used with tractors;

(D) Total registration fees collected under IC 9-29-5-4 for trailers having a declared gross weight in excess of three thousand (3,000) pounds; and

(E) Total registration fees collected under IC 9-29-5-13 for trucks, tractors and semitrailers used in connection with agricultural pursuits usual and normal to the user's farming operation, multiplied by two hundred percent (200%);

STEP THREE: Determine the tax factor by dividing the STEP ONE result by the STEP TWO result.

(b) Except as otherwise provided in this chapter, the annual excise tax for commercial vehicles with a declared gross weight in excess of eleven thousand (11,000) pounds, including trucks, tractors not used with semitrailers, traction engines, and other similar vehicles used for

hauling purposes, shall be determined by multiplying the registration fee under IC 9-29-5-3 by the tax factor determined in subsection (a).

(c) Except as otherwise provided in this chapter, the annual excise tax for tractors used with semitrailers shall be determined by multiplying the registration fee under IC 9-29-5-5 by the tax factor determined in subsection (a).

(d) Except as otherwise provided in this chapter, the annual excise tax for trailers having a declared gross weight in excess of three thousand (3,000) pounds shall be determined by multiplying the registration fee under IC 9-29-5-4 by the tax factor determined in subsection (a).

(e) The annual excise tax for a semitrailer shall be determined by multiplying the average annual registration fee under IC 9-29-5-6 by the tax factor determined in subsection (a). The average annual registration fee for a semitrailer under IC 9-29-5-6 is sixteen dollars and seventy-five cents ($16.75).

(f) The annual excise tax determined under this section shall be rounded upward to the next full dollar amount.

SECTION 198. IC 6-6-5.5-19 IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2009 (RETROACTIVE)]: Sec. 19. (a) As used in this section, "assessed value" means an amount equal to the true tax value of commercial vehicles that:

(1) are subject to the commercial vehicle excise tax under this chapter; and

(2) would have been subject to assessment as personal property on March 1, 2000, under the law in effect before January 1, 2000.

(b) For calendar year 2001, a taxing unit's base revenue shall be determined as provided in subsection (f). For calendar years that begin after December 31, 2001, **and before January 1, 2009,** a taxing unit's base revenue shall be determined by multiplying the previous year's base revenue by one hundred five percent (105%). **For calendar years that begin after December 31, 2008, a taxing unit's base revenue is equal to:**

(1) the amount of commercial vehicle excise tax collected during the previous state fiscal year; multiplied by

(2) the taxing unit's percentage as determined in subsection (f) for calendar year 2001.

(c) The amount of commercial vehicle excise tax distributed to the taxing units of Indiana from the commercial vehicle excise tax fund shall be determined in the manner provided in this section. ~~On or before June 1, 2000, each township assessor of a county shall deliver to the county assessor a list that states by taxing district the total assessed value as shown on the information returns filed with the assessor on or before May 15, 2000.~~

(d) On or before July 1, 2000, each county assessor shall certify to the county auditor the assessed value of commercial vehicles in every taxing district.

(e) On or before August 1, 2000, the county auditor shall certify the following to the department of local government finance:

(1) The total assessed value of commercial vehicles in the county.

(2) The total assessed value of commercial vehicles in each taxing district of the county.

(f) The department of local government finance shall determine each taxing unit's base revenue by applying the current tax rate for each taxing district to the certified assessed value from each taxing district. The department of local government finance shall also determine the following:

(1) The total amount of base revenue to be distributed from the commercial vehicle excise tax fund in 2001 to all taxing units in Indiana.

(2) The total amount of base revenue to be distributed from the commercial vehicle excise tax fund in 2001 to all taxing units in each county.

(3) Each county's total distribution percentage. A county's total distribution percentage shall be determined by dividing the total amount of base revenue to be distributed in 2001 to all taxing units in the county by the total base revenue to be distributed statewide.

(4) Each taxing unit's distribution percentage. A taxing unit's distribution percentage shall be determined by dividing each taxing unit's base revenue by the total amount of base revenue to be distributed in 2001 to all taxing units in the county.

(g) The department of local government finance shall certify each taxing unit's base revenue and distribution percentage for calendar year 2001 to the auditor of state on or before September 1, 2000.

(h) The auditor of state shall keep permanent records of each taxing unit's base revenue and distribution percentage for calendar year 2001 for purposes of determining the amount of money each taxing unit in Indiana is entitled to receive in calendar years that begin after December 31, 2001.

SECTION 199. IC 6-6-5.5-20, AS AMENDED BY P.L.146-2008, SECTION 354, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2009 (RETROACTIVE)]: Sec. 20. (a) On or before May 1, subject to subsections (c) and (d), the auditor of state shall distribute to each county auditor an amount equal to fifty percent (50%) of the ~~total base revenue to be distributed to all taxing units in the county for that year.~~ **product of:**

(1) the county's distribution percentage; multiplied by

(2) the total commercial vehicle excise tax deposited in the commercial vehicle excise tax fund in the preceding calendar year.

(b) On or before December 1, subject to subsections (c) and (d), the auditor of state shall distribute to each county auditor an amount equal to ~~the greater of the following:~~
